

# Winyates Green Easter Egg Trail 2026

Follow the map on the back of this sheet to find all 16 eggs.

Please use the underpasses when crossing Far Moor Lane and be careful when crossing any of the other local roads.

Write down the letter (or space) you find on each egg in the grid below. Don't worry the order in which you do this doesn't matter.

1.	2.	3.	4.
5.	6.	7.	8.
9.	10.	11.	12.
13.	14.	15.	16.

After you have noted down what letter (or space) is on each egg, rearrange them to solve the word puzzle:

□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□
---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---

*Clue: Who might have put all the eggs in place?*
