

WGRA EASTER EGG HUNT 2025

First you need to find all 24 Easter Eggs!

There will be one in each close throughout Winyates Green, with some of the bigger closes maybe having more than one – and check along the pathways too.

Note that there are no eggs in Ardens Close, Longhope Close or Packington Close so there is no need to look there.

Please use the underpasses to cross under Far Moor Lane
as you may want to check along the pathway by the daffodils...

Write the gold letter found on the eggs in the boxes below.

1		2		3	
4		5		6	
7		8		9	
10		11		12	
13		14		15	
16		17		18	
19		20		21	
22		23		24	

Once you have found all the eggs and have all the letters noted down...

Rearrange the letters to spell out the coded seasonal message:

□□□□ / □□□□ / □□□ / □

□□□□□ / □□□□□□□ / □

**Finally fill in your name and a contact number and then put it in the box for
all the Egg Hunt entries which can be found in the shop.**
